I. Scholarship you are applying for:

I agree to the following conditions. (Place an "X" before each statement).

I understand that I am responsible for arranging my own transportation to and from the camp and that transportation arrangements must be completed and described to Boulder County Audubon by **April 1**; and that reimbursement of travel expenses is available only after I have completed the program..

After completion of the camp, I agree to write a short article for the Boulder County Audubon newsletter describing my experience or give a short PowerPoint presentation at a Boulder County Audubon monthly meeting.

I have discussed the scholarship program with my parent (s) or guardian (s), and they approve of my applying for the scholarship.

II. Submit a 150-250 word essay describing your reasons for applying for the scholarship. Include one paragraph addressing each of the following questions:

1. Why are you applying for the scholarship? Why did you choose this particular camp?
2. What is your previous experience or interest in ecology or ornithology, including experiences you've had either in the classroom or outside it?
3. How will the scholarship make it possible for you to attend your chosen program?
4. What appeals to you about this particular camp? What do you hope to get out of the experience?

III. We encourage you to attach a letter of recommendation from a current or former teacher or mentor.

IV. Application deadline is **February 1**. E-mail this completed form and your essay, along with any letters of recommendation, to: crossbill@boulderaudubon.org.
