

Boulder County Audubon Species of Concern-a-thon

Help save rare, declining, and isolated birds in Boulder County. Adopt one or more species and:

1. Enjoy a catered (nibbles and refreshments) field trip to search for the species in the wild;
2. Receive a year-end update on the bird's nesting status; and,
3. Be invited to help monitor nesting populations.

Thanks for supporting threatened wildlife in Boulder County!

<u>Species</u>	<u>Pledge</u>	<u>Trip Leader</u>	<u>Trip Date</u>
<i>Bald Eagle</i>	\$60	Steve Jones curlwsj@comcast.net	Sun., May 31 8 a.m. – 1 p.m.
